**2018**

**2019~  
Present**

Shanghai Pro-e Electronic Technology Co., Ltd successfully obtained the national high-tech enterprise certification

# Services And Solutions

## ◆ Spot-buy

- ◆ Obsolete and hard-to-find parts worldwide sourcing
- ◆ 7-24 support and tracking
- ◆ Same day shipment
- ◆ Market Intelligence

## ◆ Technical Support

- ◆ Online replacement solution
- ◆ Auto-notice of PCN and EOL
- ◆ Problem resolving within 24Hrs
- ◆ Design-in and sample support

## ◆ PPV Cost Savings

- ◆ AI enhanced global sourcing
- ◆ Massive inventory to guarantee stable supply
- ◆ Experienced experts on site support

## ◆ Reversed Logistics Solution

- ◆ Win-Win business with EMS
- ◆ Secured and classified
- ◆ Professional process on in-and-out

## ◆ Online Excess Liquidation

- ◆ Efficient process of online service
- ◆ Multiple channels of information spread
- ◆ Maximized excess liquidation value.

## ◆ Online Joint Business

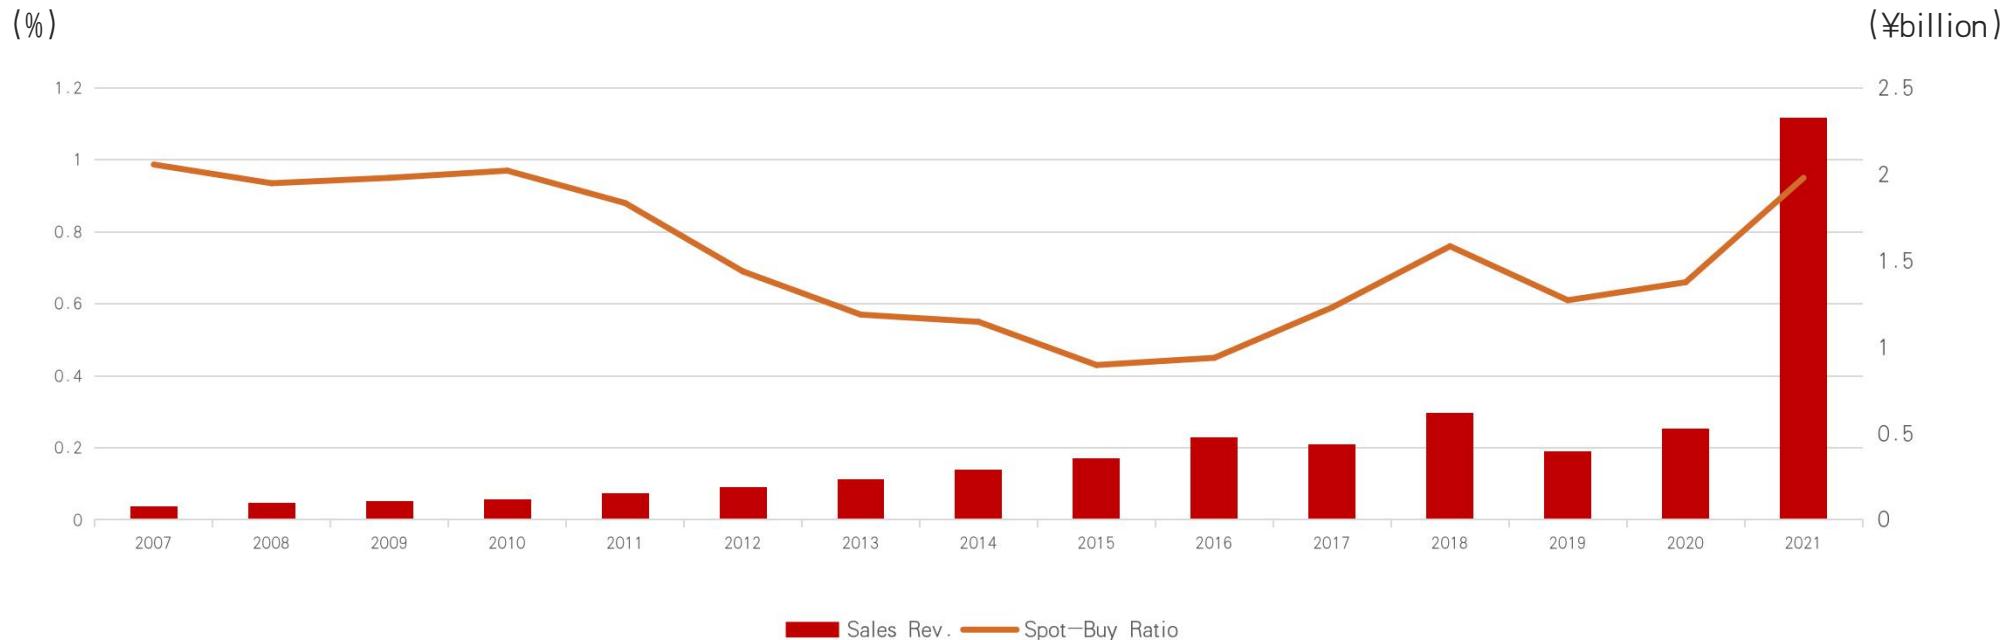

- ◆ Over 3000+ business partners
- ◆ 170M+ line items online pricing
- ◆ Timely response on stock information

## ◆ Online Sample Purchasing

- ◆ Real-Time linked with catalogue distributors
- ◆ Massive self-owned inventory
- ◆ Standard packaging
- ◆ Immediate shipment

# Business Data
